## call for artists

Children's Diagnostic & Treatment Center (CDTC) is accepting artwork donations for the Ribbons for the Children Art Exhibit & Auction. This annual event reflects & celebrates awareness of the many health issues and illnesses children with special healthcare needs at CDTC live with every day.

Their diagnoses are as diverse as our community. The evening will benefit all children who receive medical, dental, and care coordination services in our many programs - including our Pediatric Primary Care Center, Pediatric Dental Clinic, Medical Home Programs, and Comprehensive Family AIDS Program.

We invite artists to produce an original visual art piece in their own artistic style and medium for this heartwarming event. Art will be selected at the discretion of our event jury. **ONLY ONE SUBMISSION PER ARTIST PLEASE.**

### **Selected pieces may be featured in some or all of the following:**

- At our Ribbons Exhibition & Auction on September 30
- Pop-up art exhibits in the community before the event.
- In this year's calendar for sale at the event and online
- In our online auction benefiting CDTC. *Artists will receive links to share the auction and merchandise with their friends, followers and collectors.*

**Deadline to Submit:** Friday, August 19th

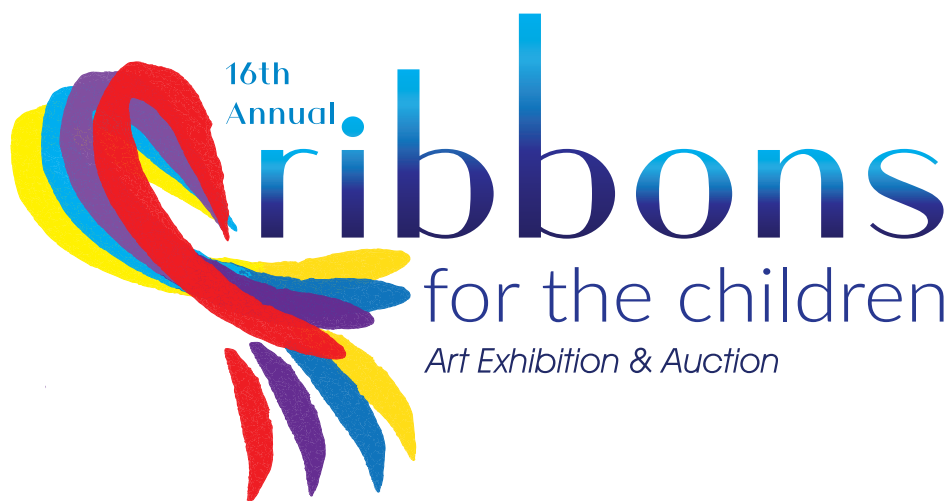

**Deliver to:** CDTC at 1401 S Federal Hwy, Fort Lauderdale, August 1-19 (M-F, 9-5)

**2-D Restrictions:** Works should be approximately 20"x20" to 36" x 36" and must fit on an easel

**3-D Restrictions:** Must be well-packaged for CDTC staff to transport and weigh no more than 25lbs

We thank you in advance for your participation and support. Artists will receive two complimentary admissions to the event.

**For more information, contact Chuck Williams at [artsunited1@aol.com](mailto:artsunited1@aol.com) or 954.326.8219.**

## artist application

Artist Name \_\_\_\_\_
